

CCID INTERNATIONAL TOOL KIT

Resources for Study Abroad

There are many excellent resources available on the World Wide Web. Below are listed a few of these. CCID does not endorse any of these sites, and encourages member colleges to undertake their own research:

General Information

One of CCID's prime objectives is to provide a forum for community colleges to share information. Colleges wishing to grow their study abroad programs may contact CCID for information about other member institutions with experience in this field.
